THE EVANGELISTIC MINISTRY OF ITUMELENG & LINDI MOKGANYA

Latest Ministry Update

Tribute to my Late Father

William Lesetja Mokganya

On Monday the 29th of May, my father **William Lesetja Mokganya** went on to be with the Lord. Because of this, our ministry plans for the beginning of June were set aside in order to prioritise my father's funeral. At his funeral, friends and relatives came great distances to be there for our family. I was humbled and quite frankly impressed at how he had touched so many lives. I can only speak for myself, but when I think of my father, the first word that comes to mind is "admiration." I admire him because of the kind of father he was to us.

He loved us very much, instilling in us by his manner of life and example, a core value system that defined who he was: A man who honored his commitments, and gave himself wholeheartedly to his family, friends and community. I am forever thankful for all that my father did for my siblings and I, but even more appreciative of what he imparted and invested in us. Reinhard Bonnke once said, **"For the born-again Christian, death is not a full stop at the end of the last chapter; it is only a comma after the first paragraph."**

A Report on Our Recent Ministry Activities

On the 11th of June, I met with key Senior Pastors of the local township of Lephalale called Marapong, translated in English as 'The place of the bones.' Together with my associate, Menzi Shezi, we did a presentation proposing for a crusade to be held at the local stadium in August. The meeting was very good, with the relevant pastors committing to work with us in hosting this evangelistic crusade. A more recent update will be emailed to all of you, informing you of the final crusade date in August and our progress in ensuring that the campaign is a great success.

Meeting With Pastors of Marapong

Those who have never heard the message of Jesus before are eagerly turning to Him. But... **'How then shall they call on Him whom they have not believed? And how shall they believe in Him of whom they have not heard? And how shall they hear without a preacher? And how shall they preach, except they be sent?'** (Romans 10:14, 15, KJV). Gospel Harvest International has specifically targeted this largely unreached people group of Limpopo. Those in such unreached lands need to hear the message of Christ more than any other. Should we not do all that we can to send the Gospel to them?

On the 18th of June I ministered at Bishop Mogorosi's church, The Lord is My Shepherd, in Marapong. I ministered a message on **Revelation 4:1** about an 'Open Heaven.' The meeting was tough in the beginning with the atmosphere being very closed, but by the grace of God I managed to break through the atmosphere during the ministry time, with God confirming His Word with prophetic words, words of knowledge & wisdom and healings.

Saturday the 24th of June, we were invited to minister at two churches on the same day. I chose to minister at Ps Twala's church, which is the church we go to as a family on Sundays when I am not ministering called, 'His Dwelling Place.' I did a Youth service for Ps Twala, which was very well attended. To our appreciation, we were very well received and the service was enjoyed by all those present. Youth ministry is not popular here in Lephalale, with a lot of the Youth who attended having never been to such a service before. At this service I ministered a message on 'Responsibility,' challenging the Youth with this thought, **"The most basic habit of highly effective people in any environment is the habit of pro-activity and more than taking initiative, it's recognising our responsibility."**

This past weekend we headed down to Durban to marry our friends Kayleen & Darrien Asbury at our home church, Destiny. We then ministered at Open Door Assembly in Greenwood Park on Sunday morning, encouraging the church to continue with the work of building the vision God has given them (**Nehemiah 4**).

Our Plans For The Month of July

This weekend coming, we are heading to Cape Town for some ministry training. Then we shall return to begin our fast for the 'Marapong For Jesus crusade' and our training of all the volunteer groups needed in ensuring that the crusade is a success.

Thank you for all your prayers and support, and a special thank you to all our partners, who are helping us make a difference here where God has sent us!
