Ministry Training in The Cape

The month of July was a **fruitful** and **meaningful** month, which was made possible by the **faithful support of our partners in the Gospel**. On the 7th-9th of July, my fellow worker for the Kingdom of God and I headed down to Cape Town to attend a seminar hosted by CFAN & In His Name Ministries (Reinhard Bonnke's and Tamryn Klintworth's ministry). The knowledge imparted to us at this seminar strengthened us in our calling to **preach the Gospel to the poorest of the poor in Africa**.

Ministering at NCINMI

On Sunday the **16th of July**, I was invited to minister at New Covenant in Christ Ministries in Marapong, headed by Pastor Moswathupa. I ministered a message on **Luke 14**, on compelling people in the community to fill God's House. The pastor of the church called me that same evening to tell me that his congregation members were continuously reporting to him how much they were impacted by the service. God graciously manifested the gifts of the Spirit, and many were blessed as a result! **To Him be all the glory!** God sees your partnership in these fruitful missions. Every time you partner with us, you are impacting lives in a profound way that LASTS and continues to produce good fruit for the cause of Christ. Friend, you mean much to us and to the work that we do in bringing Christ to people. We pray for you every day and ask God to bless you so that you can continue to be a blessing to others.

For the past few weeks, volunteers from different churches have been attending our volunteer training sessions for the upcoming **'Marapong For Jesus Crusade,'** which will be held from **the 21st to the 24th of August at the Marapong stadium**. The organizing of a Gospel crusade is a great task that can only be successfully completed through hard work and the grace of God. All these who have committed themselves to seeing their communities reached with the Gospel of Jesus Christ must accept the challenges that come with this task in a continent subject to many difficulties on the social, political and economic level. We therefore ask that you pray for these faithful volunteers, who have sacrificed their time and energy to serve their community.
